The 2009 End of Year Awards were presented during the SC Wing Conference which was held last week-end at the Raddison Hotel in North Charleston. We had 212 registered for the conference and 227 attended the banquet, both record numbers.

Some of the VIPs at our "head table" consisted of MG Dwight Wheless (keynote speaker), Col. Joe Vasquez (MER Commander), Col. David Carter, Col. Emerson Smith, and Col Lindler.

This culminated our awards process which began in November of 2009. There were 100 nominations to choose from which was the highest number of nominations ever submitted in the SC Wing. There were 78 award recipients this year which was also a SC Wing record.

The following recipients are congratulated for a **JOB WELL DONE** 🏆
